

### **Customs Compliance Conference - AEO Compliance Report**

HM Revenue & Customs are most likely to require Authorised Economic Operator (AEO) businesses which are importers or exporters to demonstrate compliance with the regime. There is an obvious need for systems and resources to be reviewed by credible third parties.

**4 Eyes Ltd** will carry-out an AEO compliance review and produce an AEO Compliance Report. This will enable businesses to show they have taken necessary steps to ensure AEO compliance.
