

Customs Compliance Conference - Applying for AEO

Businesses wishing to apply for Authorised Economic Operator (AEO) status after 1 January 2016 will need to be Union Customs Code (UCC) compliant first. HMRC have a basic 120 days to consider an AEO application and can extend this period by an additional 60 days.

4 Eyes Ltd will help businesses with their AEO applications which will considerably facilitate the process. Due to the protracted time-period the application takes, any errors in this could cause serious delays in obtaining AEO status.
