

Customs Compliance Conference - Royalties

The removal of the requirement that payment of a royalty must be a condition of the sale of the imported goods if it is to be dutiable means that any royalty which relates to imported goods will be dutiable.

Companies should consider restructuring royalty conditions to mitigate the duty burden thereon.

4 Eyes Ltd will conduct a duty review to ensure that your business is paying the correct amount of duties. Many businesses may inadvertently find themselves paying too much.
